

Our Vision:

St. Benedict's Episcopal School fosters a nurturing environment where children can grow as confident, curious, and compassionate learners. We respect and celebrate diversity, nurturing each child's unique journey in a faith-based community.

Our Mission:

At St. Benedict's Episcopal School, we embrace the values of Episcopal education, inspiring young minds to explore, create, and thrive through engaging and meaningful experiences.

What Makes St. Benedict's Unique (K-4)?

At St. Benedict's, we focus on the holistic development of our younger students. Our dedicated faculty creates a supportive atmosphere that encourages exploration and creativity. We provide a strong foundation in academics while fostering social and emotional growth, helping our students build their identities and discover their passions. From kindergarteners learning foundational skills to fourth graders preparing for the next stage of their education, we empower every child to take risks and grow.

Academic Programs:

Our curriculum is designed to inspire a love of learning through engaging and interactive experiences.

Engaging Learning:

Our class schedules are structured to promote active participation. Through hands-on activities, collaborative projects, and creative learning methods, students experience a dynamic educational environment.

Core and Co-Curricular Classes:

Students participate in core classes—English, Math, Science, Social Studies, and Spanish—along with co-curricular options like Art, Music, Physical Education, and Drama, enriching their educational journey.

Spanish Language:

Spanish is introduced early, beginning in preschool. Our native-speaking teachers help students develop conversational skills and a love for the language, fostering cultural connections that continue into the middle grades.

STEAM:

St. Benedict's Episcopal School has been awarded the Cognia STEM Certification, reflecting our commitment to exceptional STEM education. We integrate STEAM (Science, Technology, Engineering, Arts, and Mathematics) into our curriculum, encouraging creativity and critical thinking. Our hands-on projects foster curiosity and collaboration, preparing students for the opportunities of tomorrow.

Extracurricular Activities:

We offer a wide range of extracurricular activities that promote exploration, creativity, and leadership.

Clubs and Fine Arts:

From Art Club to Drama and Music, students have numerous opportunities to express themselves and explore their interests. All students in K-4 engage in creative arts and can participate in age-appropriate clubs.

Chapel Services:

Weekly chapel services encourage community and spiritual growth, welcoming families from all faith backgrounds to participate in our shared values and traditions.

 As a growing neighborhood school, St. Benedict's places great value on the connection to Smyrna and the surrounding area. Our students learn to become active, engaged members of the community from an early age.

OPEN HEARTS. OPEN MINDS.

Transitioning to 5th Grade:

We support our students through their transition to middle school, ensuring they are prepared and excited for new challenges. Our emphasis on self-reflection and personal growth allows students to confidently embrace their next educational journey.

Testimonials:

"Our child has grown so much at St. Benedict's! The supportive teachers and enriching programs have sparked a love for learning that we couldn't have imagined." – Parent of a K-4 Student
