CHANGES TO PRESCHOOL CLUBS FOR SPRING 2025

Due to limited classroom space, for the first time St. B's will offer Preschool 3s - Pre-K Clubs at **two different times** in an effort to continue to offer a variety of Club options for our students. Important things to note about this change:

- Each student may only attend **one Club per day.**
- On Club days, **students who register for 2:20-3:20 pm Clubs MUST be registered for aftercare between Preschool dismissal at 12:45 and the start of clubs at 2:20.** Students may not be picked up at 12:45 and returned to campus for a Club.
- **Preschool 3s** students who enroll in Clubs **cannot be in an aftercare nap room** (even on non-club days).

CLUB TIMES	
Preschool 3s - Pre-K	1:10 - 2:10 P.M. OR 2:20 - 3:20 P.M.
Kindergarten	2:20 - 3:20 P.M.

(If your student will not be picked up at the end of the Club time, you must also sign up for [aftercare](#) for that day of the week)

WAITLIST INFORMATION

We recommend that you register for a back-up Club if your first choice Club is waitlisted and you know that you need your student to be in a Club on a particular day. If you join the waitlist for a Club, please note that typically there is very little movement in Club registrations.

- Club enrollment is assessed in early December. If a Club has not met its minimum enrollment, it will be canceled, and you will be contacted and asked to select another Club. If you choose to move to a different Club that has met its minimum enrollment, the difference in the cost of the club will be adjusted in your account. If there is not another Club you wish to move your child to, your money will be fully refunded. The decision to move to a new Club or request a refund must be made within 24 hours of the notification from Stingers Squad to allow time to prepare for the start of Clubs.
- Contact the Stingers Squad staff at clubs@stbs.org to request changes PRIOR to the close of registration on December 12, 2024.
- If the school should cancel a Club for any reason, a 100% refund (or a pro-rated refund if Clubs have begun) will be given.
- In cases of inclement weather or other school cancelations which result in cancelling a Club, the Club must be made up during the make-up day at the end of the semester or at another time as approved by the Head of Auxiliary Programming. The Head of Auxiliary Programming reserves the right to waive making up a Club should enough school closings make it difficult to work in all the necessary make-up Clubs. In this instance, refunds may be issued to parents and payment deducted from vendors for the missed Club, at the discretion of the Head of Auxiliary Programming.
- Club providers are allowed to miss one Club session per semester without a required make-up day (although most do schedule a make-up if a session is missed).
